Monday: 3:30 pm – 4:30 pm

Tackling Fellowship- Topic Round tables

Tuesday: 1:30 pm – 2:30 pm

ACMPE Certification-What is it?

ACMPE BOARD CERTIFICATION BOOT CAMP

This intensive one-day Board Certification Boot Camp is a comprehensive review of the medical practice management concepts and industry best practices. This training will focus on all the skills and understanding of concepts needed to achieve the CMPE designation. All areas of the MGMA Body of Knowledge as related to the exams are defined and clearly covered. An extra focus is placed on on-the-job application and how it relates to the exam material.

Here are a few benefits you will receive in our Board Certification Boot Camp:

- Instructor led face-to-face course
- Dedicated online community to ask and answer questions
- A complete set of the MGMA Body of Knowledge books and printed copies of course materials
- Access to ACMPE Online Assessment

REMINDERS OF CHANGES COMING IN 2019

2019 board certification enhancements:

Board eligible classification: We will be introducing a board eligible classification for board certification in 2019 which will allow candidates to enter the program even though they may not yet meet the education and experience requirements. To achieve board eligibility, candidates must show an understanding and knowledge of the principles of medical practice administration by passing the multiple-choice exam. Board certification will be achieved when candidates pass the scenario-based exam, complete the required 50 continuing education credit hours and attain their Bachelor's degree or 120 college credit hours and two years of healthcare experience.

Continuing education requirements: Beginning in 2019, we will require that the 50 hours of continuing education include 30 hours from MGMA state and national learning, including at least 12 face-to-face hours. The remaining 20 hours may come from either MGMA or qualified outside sources. This will apply to the 50 hours required every three years.

Certification deadline: Candidates who enter the board certification program in 2019 will now have to complete their exams and 50 hours of continuing education **within three years** of their application date.

2019 Fellowship enhancements:

Education and experience eligibility: Starting in 2019, to participate in the Fellowship program, candidates must either have a **Bachelor's degree AND seven years of healthcare experience**, OR a **Master's degree AND five years of healthcare experience**. At least two years of this experience must be in a leadership role.

Volunteer hours: To showcase a commitment to their industry, Fellows will be required to complete six volunteer hours beginning in 2019. These hours must include three hours from healthcare related opportunities and three hours from community service.

Business plan proposals: Our Fellows are thought leaders within healthcare organizations and must be able to demonstrate the ability to execute on dynamic solutions to business problems. In that spirit, we will be phasing out the professional paper submission and moving towards the submission of innovative business plan proposals. We believe this move will better support our Fellows to concretely demonstrate practical skills to current and potential employers.

Fellowship deadline: Candidates who enter the Fellowship program in 2019 will now have **two years** from their application date to complete their Fellowship requirements.
